

27th September, 1935.

Dr. Keith Inglis,  
539, Pacific Highway,  
KILLARA.

Dear Dr. Inglis,

I have pleasure in enclosing special honorary life membership badge No. 834, but I thought I ought to inform you that you are also an ordinary life member of the Union, and that your badge for this membership was No. 864, issued to you in 1925, when your address was Wolseley Street, Drummoyne. Quite a number of our members carry double membership in this way.

Yours faithfully,

*JW.*  
SECRETARY.
