The Registrar of the University

Dear Sir

My brother Leslie enlisted  
in October of last year and was for  
some months in the Engineers Camp  
in Sydney. He left for England  
last July with the 9<sup>th</sup> Company Field Engineers  
3<sup>rd</sup> Australian Division and is a  
lieutenant in charge of Section 3 of  
that Company.

He is at present in Lark Hill Camp  
on Salisbury Plain.

Yours truly  
Burgess
