Chapel Street,

Rockdale.

2 June 1918.

Dear Mr Roberts,

In reply to your letter of the 23rd ultimo  
I have to inform you <sup>that</sup> your letter of the 1st September 1919  
was in response to my request to be provided with a Life Membership  
Badge  
of the Union in view of the fact that I had in December 1917  
enlisted with the A. I. F. and I understood that a resolution had  
been passed ~~by~~ the Union Authorities that such men would be  
so dealt with. I have not a copy of the letter which I wrote to  
you.

You did not enclose the form mentioned in your last  
letter and if you will kindly transmit one to me I will complete  
and return to you the document without delay.

Yours Faithfully.
