University of Sydney,
SYDNEY, N.S.W.

Dear Sir,

I appreciate your letter of the 15th. instant and your action in forwarding to me an application form for a special honorary life membership of the Union. I had naturally wondered what had happened after the writing of Mr. Robinson's letter of 23rd. Dec., 1932 and my reply of 31st. Dec. of the same year, but was diffident about enquiring. Having kept his letter and a copy of my reply, I forward these for your inspection, but would be glad if they could be returned to me later.

I enclose the form filled in with such details as I imagine you require. Attached to the form is a copy of a letter received from my Brigade Commander, Brig.General E.A. Wisdom. I have selected this from several available letters of the same kind from Commanding Officers with whom I worked, as serving to explain the nature of the service of Y.M.C.A. representatives in the field. Will you please leave this letter attached to the form in your files?

Thanking you,

Yours faithfully,

Senior Lecturer in Economics.
