To The Registrar

The University of Adelaide.

Dear Sir

I have pleasure in enclosing  
herewith the evidence of my having  
completed six months of practical  
work in Electrical Engineering necessary  
to obtain the Diploma in Electrical  
Engineering and the Fellowship of  
the South Australian School of Mines.

I should deem it a favour if  
you would advise me of the receipt  
of this, and also whether there are

2.

any further steps to be taken by  
me in order to obtain the above.

Is it necessary for me to  
write to the Registrar of the School of  
Miners, or are the enclosed certificates  
sufficient for both institutions?

With kind regards

Believe me, Sir

Yours faithfully

Lancelot Gill.

If possible I should like to have the certificates  
returned to me
