on active service

The Secretary,

The Union. Sydney University

Dear Sir,

Today I received the tasteful Xmas
and New Year Card, which has been sent
to members of the Union on active service
abroad,

I could not refrain from writing to tell you
how much I appreciate the kindly thoughts
and wishes which prompted the gift.

When least expecting it the sight of the
University Crest brought back the University
the Union and its members in a sudden rush
of memories, I was quite touched.

I have no doubt that other members as
much appreciate an act which I hope
will be repeated next year.

Yours faithfully,
The Hon. Capt
A. B. Hall

LEAVER

I have also to thank you for the Annual Report
