To C.R.Hodge Esq.,

ADELAIDE.

In response to your circular of 4th inst.
Lance Corporal Sandford Rhodes Delbridge enlisted in June 1915.
After remaining in Egypt for some time he was sent with the first
Australian Contingent to France, and has been through the various
fierce engagements in which our Australian Boys have done so well.
It is gratifying to know he has come through
alright so far. He is still being kept very busy, and as far
as we know is well.

Yours faithfully,

Severice Delbridge
