My dear Gambrell,
Dear Mr. Denton,

I am in receipt of your letter of 20th inst. informing me that you have enlisted with the South Australian Expeditionary Forces and asking for leave of absence for the period of the duration of the war and for four months after.

In reply I beg to inform you that the Council have resolved that in all cases where members of the Staff enlist their places shall be kept open for them and you can therefore rest assured that if you return in safety you can again resume your position.

I congratulate you upon the spirit which has prompted you to give your services to your country and sincerely hope that you may be an active participator in the blow for victory and return to the University safe and sound, when you may rely upon a cordial welcome.

Yours faithfully,
