Dear Sir

Your note to hand
In referance to my son R. H. Choat
I might state that he enlisted July 1915
was in A company, Private
32nd Battalion

8th Infantry Brigade

Left these shores in November, stationed in
Egypt for six months, & then was transferred
to France, when he last wrote in July 17th
he was well, that the last we have heard of
him, We are feeling very anxious about him.
He has not been reported, Missing, or sick or
a prisoner; we have been trying to get tidings
of him, but up to the present have been unsuc-
cessful, Soon after landing in Egypt he had
a slight accident but was soon back in the
trenches again. Two other brother left with him
One was killed in action on July 20th in France
the other one reported missing on the same date
he has been ^{since} reported, a prisoner of war in Germany

J. Remain

Yours Respectfully
Joseph Choat
