Respected

University of Lincoln

Dear Sir,

Re the Honour Roll list recently
circulated.

In fairness to my brother D. Macdonald Steele
of Barra, perhaps you might attach his name
to the list as mentioned here, instead of as D. M. Steele
as already was on the list.

Our initials are the same. The decorations, MC
Bar, are correct.

Evidently the notice was sent to me by
mistake. Unfortunately I have mislaid it, otherwise
I should have sent it to him.

To avoid confusion he is usually known as
D. Macdonald Steele, while I sign myself as below.
I am sure this will meet with his approval.

Yours faithfully

David M. Steele

I was not an active service or entitled to appear
on Honour Roll, unfortunately.
