

Golden Horseshoe Mine  
Boulder  
Sept 26/1910

Dear Sir,

Confirming our joint telegram  
of ~~even~~ date I beg to tender my application  
to be examined in Banking & Exchange  
for the Diploma in Commerce, <sup>at the examinations</sup> to be held in  
November next.

Enclosed you will find exemption Certificate  
& postal note for \$1.00.  
I have written to my sister Miss Mary to  
call on you if any further fees are payable to  
pay them for both Mr. Martin & myself.  
As Mr. Martin will be away at that time it will  
be impossible for me to present myself to examine  
in person, because our staff is not large enough to  
allow of two being absent at the one time.  
I would suggest that if your local representative  
Mr. Watson Brown is unable to supervise the examination  
<sup>that you ask</sup>  
any of the following gentlemen would ~~would~~

to do so.

Mr Rukinert of School of Mines (Assistant Director)

Mr H Wood of Kalgoorlie Gold Mine (acct of Kalgoorlie local secretary of the WA Inst of acct President of the acct Students Society)

Mr P H Moore of School of Mines

Mr G Heseltine do do

The two latter are both Adelaide University men & I feel sure any of the above would willingly undertake the task.

If it be impossible to hold the exam in Kalgoorlie I shall in all probability have to wait until next year.

Yours Truly

A Hendry
