

4th Avenue,

Joslin,

December 13, 1916.

Dear Sir,

In reply to yours recently received respecting Dr. Southwood, I have to state that he holds the rank of Captain in the A.I.F. and that he left Melbourne for Europe on the Hospital ship Karoola on Saturday. He is appointed to the staff of the ship for the present. He volunteered for the front some two years ago with the other students of his year.

I regret that I have not replied earlier to your letter.

Yours truly,

J. F. Southwood
