The Registrar
University of Adelaide,

Dear Sir,

In reply to your letter of July 25th, may I point out one or two inaccuracies in the Roll of Honour!

Joseph Arnold Blacket (L/Cpl) should read (Lieutenant.)
George Francis Davies (Lieut) ----- (Corporal).

We have several hundred names on the School Roll but one does not know whether they were University students at the time of enlistment. I shall do my best to find a little time for scrutinizing them more closely. If I find any cases of omission, I shall forward you the names

Yours sincerely
W. L. Davies.

H. G. Prest (now Lt.) and Wesley James, I fancy, should be in your list.
