

Magill Road,

TRANMERE.

25th February, 1936.

The Acting Registrar,  
UNIVERSITY OF ADELAIDE.

Dear Sir,

I wish to apply for the position of Lecturer in Anatomy, Physiology and Pathology of the eye to Optometry Students.

My full name is Eustace Couper Black. I was educated at Prince Alfred College and the University of Adelaide. I graduated Bachelor of Medicine and Bachelor of Surgery in 1910. I did four and a half years active service at the Great War.

I am Refractionist at the Adelaide Hospital and am conversant with ophthalmological problems in prescribing spectacles.

Yours faithfully,

*E. Couper Black.*
