Full details and remarks as to service:—

I enlisted in 10th Dec 1917 and entered Camps in 10th March 1918. Unfortunately I did not leave Australia but with many others languished in Camp awaiting turn to be transported to Mesopotamia. The training necessary to become an efficient Operator was lengthy and this training was carried out in Australia. I may point out that I enlisted a good while before anyone became aware that the war was drawing to a close and under the circumstances ask that I be granted the privilege claimed especially in view of the letter which I have previously received.

Date of re-commencing University Course after service abroad March 1919

I hereby certify the foregoing particulars as true and correct according to the best of my knowledge and belief.
