A D E L A I D E.

Dear Sir,

Referring to your memo of the 4th instant, there is not, as far as I am aware, a Mr W. E. Heuzenroeder at the Front. My son, whose initials, T. W. Heuzenroeder, may have been confused with mine, enlisted in June 1915, and holds the rank of Corporal of the Light Horse, and is at present stationed at Egypt.

A nephew, R. H. Heuzenroeder, until recently a law student at the University, is in Camp, but I am not sure what rank he holds. His father Mr E. Heuzenroeder Solicitor, phone 2235, could give you full particulars,

Yours faithfully,
