SUPREME COURT,
ADELAIDE.

6th Decr. 1935

Dear Sir,

As I have received a further appointment as an Acting Judge, during the absence of Mr. Justice Napier, I desire to obtain leave of absence from my duties as Lecturer in the Law of Evidence and Procedure.

I am not certain as to the length of my appointment, so I think I should apply for

leave for the whole
year. Will you kindly
bring this matter before
the Council?

Yours faithfully
Geo. August Reed.
