C. R. Hodge Esq
Registrar, Adelaide University,
Dear Sir,

Your memo to hand, re-
questing particulars of my brother's position
in the A. I. F.

At present he is en route to
England, and his status is rather vague, as he
has been attached to the Sea Transport Staff,
under Major Scott. The following description
is the nearest I can give you at present.

Corporal A. Munday

A. M. C.

Attached to Sea Transport Staff
Abroad.
