The Registrar
Universities
Dun Sir

Your circular re
Gentlemen, who enlisted and came
into my hands on Saturday (I think
no fault of Post-Officials.)

Dr H.F. Kollerche changed his name
to H.F. Dunstan

He left as Captain with the 11th Field
Ambulance and is now serving
in France as far as we know.

Yours faithfully
H. Kollerche.

P.S. Shortly after his arrival in
England Capt. Dunstan was
appointed A.D.A.D. (acting Deputy
Assistant Director), also Imperial
officer to the 11th Field Ambulance, but
our information about these positions
is very meagre, and in the absence
of full information we would rather
have no mention made of such appointments.
