To the Editor of "Hermes".

Dear Sir, Mr. W. A. Sells has asked me to let you have the record of my brother Major Arthur Vincent Meehan.

The following particulars may be of use to you:

Arthur was born at Peterborough and is the son of the late Joseph Meehan, and Mrs J. Meehan of above address. He was educated at the Christian Bro. High School Lewiston and the Marxist Bro. High School Darlington and successfully passed the Junior University Public Service and Matriculation exams. He then proceeded to the Sydney University and went through the Medical Course.

graduating with honours - M.B.
Ch.B. in 1914. He was then
appointed Resident Medical
Officer at the Sydney Hospital
and at time of leaving
for the front held the position
of Assistant Superintendent at
that Hospital.

Arthur enlisted in March, 1916
and sailed on 1.5.16, and
after a short time in camp on
Salisbury Plains proceeded
to France attached to the 9th
Field Ambulance with the
Rank of Captain. After a few
months of service on the field
he obtained his Majority and
was transferred to the 11th Field
Ambulance. In October last ¹⁹¹⁶ he
was severely wounded at
Parschendale and after spending
several months in hospital he
has now recovered and has
been appointed to the Staff of the
2nd Australian Auxiliary Hospital,
Southall, England.

We have just received word that Arthur was mentioned in Sir Douglas Haig's despatches & that last for work performed on the field in October during the Battle of Ypres.

Hoping the foregoing information will be useful to you.

I am

Yours sincerely
 Miss Meehan.

P.S.

I would be glad of at least two (2) copies of the forthcoming edition of "Hermes".
