7th April, 1911.

The Agent General,
for South Australia,
London.

Sir,

Referring to my letters of October 13th and January 4th last, I have pleasure in stating that Mr. L. F. Burgess, a holder of the Angas Engineering Scholarship, is still in our employ, serving his Apprenticeship to Electrical Engineering, and is giving every satisfaction.

Yours truly,

H. A. Lang,
Managing Director of Works.

M/H.
