Dear Mr Hodge

In reply to your circular asking for information in regard to Mr R. J. Rudell I may state that he enlisted in the A. S. I. in July 1915 and after passing various exams. he rec'd a Commission as 2nd Lieut. - He was then asked to do Court Martial work and other home duties but in April last he left as one of the officers in charge of the 2nd reinforcement of the

5th Battalion. He spent a short time in Egypt and was then sent to Rollstone Camp at Salisbury Plains where he was assigned the duties of Lieut. Quartermaster of the 13th Training Battalion. When I last heard from him he was still performing those duties. If I should hear anything later before the 13th inst I shall let you know

With kind regards

Very truly yours

S. J. Rudell
