Dear Sir,

Your Memo. of the 4<sup>th</sup> inst.  
to hand.

Eric Douglas Meldrum is a Private,  
of A. Company, 10<sup>th</sup> Battalion. He was  
wounded twice on Gallipoli, once in  
the head and lastly fractured forearm.  
Since July 1915, he has been in Hospital  
both at Malta and in London, where he  
has had an operation for appendicitis, &  
is now suffering from gastritis. Last time  
we heard from him he was at Starefield  
Park convalescing.

Eric's parents are both away in  
the country and an answer from them  
would not have reached you by the  
13<sup>th</sup> so if this is not what you really  
require, any other information I could  
give you, if you let me know, I could  
forward on.

Yours faithfully  
Bessie F. Meldrum.
