UNIVERSITY.

MELBOURNE, N.3

6th Dec. 1934

Dear Mr. Williams,

Will you please convey my best thanks and appreciation to the President and Board of Directors of the Union for their action in making me a Special Honorary Life Member of the Union and for forwarding the beautiful little badge of membership. I shall value and cherish both the membership and the badge as strong links with and constant reminders of my Alma Mater.

It was also very pleasing to have recalled the personal link with yourself first made at Abernethy. What days of struggle on behalf

of the W.E.A. and adult
education they were in
that colourful mining town.

I can understand your
appreciation of your change
of occupation and congratulate
you on your appointment
to the Secretaryship of the
Union. Please give my
regards to Professor Elkan
when you next see him.

With all good wishes,

Yours sincerely,

Frank R. Hamilton
