

C. R. Hodge Esq  
Registrar  
Adelaide University

Re. H. N. Somerville  
his initials are H. N not H. M. as you  
have in your letter

His rank on leaving Australia was Sergeant  
and is the same now as far as we know

Have had letters from him from Durban  
Capetown. sufficient time has not elapsed  
to have had a letter from England

Have had a cable from him from London  
Suburbs announcing his brother's decoration  
(Lieut. Somerville) with the Military cross

Serjt. Somerville left with the 4/5 Pioneers  
he was sent to Sydney to go through the  
Officers school but was rejected solely  
on account of the age limit being 23 yrs.  
required by the military

Yours faithfully  
Hugh R. Somerville
