Dear Sir,

Re your letter
enquiring news about my
brother W. Christie.

At present he is in France
and in the best of health.
He is a Staff Sergeant in
the Dispensary, and likes
the work very well.

The patients do not seem
to be very particular,
because when we last
heard from Willie, he

had been deputed to some
of the boys in Hospital.
The Doctors and assistants
have heavy work, and a long
day. They start at six o'clock
in the morning and finish
about ten at night.

Thanking you for kind
enquiries.

I remain

Yours sincerely
Charlotte Christie
