Dear Sir,

Referring to your memo of the 4th inst I am very pleased to supply the following particulars concerning Nigel Basil Gresley Abbott.

He left South Australia on the 4th of November by the transport "Bokara" as a captain in the Australian Army Medical Corps, his destination as far as I know being Egypt. He left with general reinforcements and on arrival in Egypt expected to be attached to some unit there. So far I have not heard from him since leaving.

Trusting these are all the particulars you require,

I am,

Yours faithfully,

*Charles Lempriere Abbott*
