

Parkside

Dec. 9. 1916.

Dear Sir, My son F. R. Potts is
a Sapper in The Engineers. The last we
heard of him he was at Christ Church,
England and had just finished a term
of fourteen weeks in the Royal Engineers
School. He was expecting to leave
for France at once so we expect he is
at the front long before this.

I am

Yours Sincerely
William A. Potts
