Dear Sir,

In reply to your memo received today, my son, C. E. Pellew, enlisted in June 1915; went through the Hon.-Com. and Officers' Schools at Mitcham, and left for the front last March with the rank of 2nd Lieutenant.

He has seen active service in France since August, having served in the trenches

with the 24th Battalion.
Up to ~~last~~ now he has been
fortunate enough to escape
illness or wounds.

Yours faithfully
L. M. Pellew
