Dear Sir

In reply to your
memo of the 4th Inst. My
brother R. L. Kenihan enlisted
just after having passed his
final Exam. He was
attached to the various camps
in around Adelaide for some
time & left S. A. as one of the
medical officers on a transport
on 13th July 1916. In his last letter
written about 7 or 8 weeks ago he was in Camp
at Bodford, England; but, was expecting
to be transferred to France shortly.
He is still well & holds the rank of
Surgeon. Captain
Trusting this information will assist you
Yours faithfully
Chas R. Hodge, Esq
