OPINION OF MEDICAL BOARD ON FINALISATION.

NOTE.—Clear and definite answers to the following questions are to be carefully fitted in by the Board, as, in the event of the man being invalided, it is essential that the Deputy Commissioner of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim for pension, and the Deputy Comptroller of Repatriation, of information to enable him to decide questions of assistance and vocational training.

- 21. State whether the disability is clearly (a) Due to Military Service, (b) Aggravated by Military Service, (c) Independent of Military Service, (d) Due to, or aggravated by, want of proper care on man's part, intemperance, misconduct, etc.
- 22. Is the present degree of disability permanent ?
- 23. If not, at what rate and to what degree do you anticipate improvement ?
- 24. To what extent is his working capacity at present affected by his disability ? (a) In his pre-enlistment trade or occupation ?
(b) In the general labour market ? (State as a percentage of full capacity.)
- 25. If an operation was advised and declined, was the refusal unreasonable ?
- 26. Do the Board recommend discharge as permanently unfit for General Service ?
- 27. If discharge is recommended it should be stated whether further treatment is desirable in a (a) Sanatorium, (b) Orthopaedic Institution, (c) Convalescent Home, (d) Asylum, or (e) other institution. State whether further treatment should be an in-patient or an out-patient, and for what period
- 28. Is any surgical appliance recommended ?
- 29. Is the man fit for work or for vocational training ? If not, state reasons for recommendation for discharge from A.I.F.
