We are endeavouring to make our list of men who have enlisted, and who are at the front or in camp, as complete as possible in time for the Commemoration which will be held on the 13th inst.

I shall be very much obliged if you will kindly give me what information you can in regard to Dr E. Yeatman as to where he is, whether he has been wounded, and what rank he holds, also any further particulars that will be of interest.
