Dear Sir

Your Memo dated 4th Decr, to hand.
The last advice from M^r G. J. Rodger was that he
was still in England, but expected to leave
for France early in November, possibly the in-
coming Mail may bring further news - if so,
I shall only be too pleased to advise you.

He left here as a Driver in the 25th Coy of the
A. S. C. which left with the 43rd Battalion
on the 9th of June this year.

Kindly send me two tickets for the Commemoration

Yours faithfully
J. Rodger.
