To

C. B. Hodge Esq  
University, Adelaide  
Sir

Your memo dated the 4<sup>th</sup> inst. just to hand,  
In reference to which I beg to state that Mr. McHone  
enlisted in May 1915 and soon after volunteered to the 8<sup>th</sup>  
reinforcement to the 10<sup>th</sup> Battalion. Two days before his  
Company sailed (Aug 15) he was taken to the infectious Hospital  
Adelaide suffering from Meningitis, and was there six weeks.  
He has recovered fairly well but is not quite fit yet. He was  
discharged last January as medically unfit but has reformed  
for home service and is now employed at Clerical work  
at the Keswick Hospital. Where any communication will  
find him.

Yours faithfully  
McHone
