

"Mentone",

31 Palace St.,

Petersham.

1/5/20.

The Secretary,

The Union,

University of Sydney.

Dear Sir,

I desire to acknowledge with many thanks the honour which the Union has conferred upon me in making me an honorary life member.

This is a privilege which I shall highly value, and I hope to make my visits to the Union building frequent. I must compliment the Board on the neatness of the membership badge,

one having reached me by this
morning's post.

May the Union flourish!

Faithfully yours,

Mark R. Hauldon
