The Hon. Sir Norman M. Kater, Kt., M.B., Ch.M.

Dear Sir,

In compiling the Book of Remembrance, the record of Sydney University members who served in the Great War, we have your record as below, a record compiled chiefly from an article in "Hermes", 1918. We shall be grateful if you will be good enough to make any necessary alteration or addition, so that the record may be a faithful one.

Particularly, we should like to know (1) with what hospital you served in France, (2) if you served in any other capacity with the French, (3) when you left that army and (4) if you served at any time with the A.I.F.

Yours faithfully,

A. Cousins,

Hon. Archivist.
