Dear Sir

Mr Sweeney is
away at Crystal Brook.
So I will do my best, to give
you the information you wish.
Dr. J. G. Sweeney went away with
the 11th Field Ambulance on
the 31st of May.

The 11th Field Ambulance took
up their work at Larkes Hill
Camp Salisbury Plain.
I got a cable that Capt J. G. Sweeney
was taken ill, suffering from
a mild attack of bronchitis.

We have had no word since,
so are trusting that all is
well with him.

I am yours sincerely
J. Sweeney.
