(Statement in patient's own words) I fell in German barbed wire while retreating on evening of July 20th 1916, when I regained consciousness I discovered I was lying beside a man whom I recognized as having been in Egypt. He was alive and gasping, within a couple of hours he was dead (I think had been hit by a machine gun bullet) When I regained consciousness I described this man to an A. Co Sergeant, the sergeant identified him as being L. Corp. Trophett. I know the man's face well but did not know him personally or know his name. I have been in touch with Austral. Trench Red Cross, ~~Oxford~~ and have made a similar statement to them about Feb. this year (1917.)

Dear Sir

I regret very much that, notwithstanding the efforts of our Graves Services Unit, we have so far been unable to obtain any trace of the last resting place of

Your Son the late No. 340
Chance Corporal A.H. Morphet
32nd Battalion

and, so that no possible source of information shall be overlooked. I shall be much obliged if you will let me have on loan any letters or communications that contain any reference to the circumstances surrounding his death, particularly the exact locality at which it occurred, or where he was last seen alive. Of course any information you may have received as to his burial would be of the greatest assistance. The reason these steps are being taken is to identify, if at all possible, those bodies that are being recovered but which have nothing on them to definitely establish identification, and thus obviate the necessity of interring them in the new Military Cemeteries under the heading "An Unknown Australian Soldier."

Only those portions of any letters having a direct bearing or reference to the above need be forwarded. They will be carefully preserved and returned without delay.

If you have nothing that will help, would you kindly let us know, so that we can advise the overseas authorities.

Thanking you in anticipation,

Yours faithfully,

Sir

Last August I received official notification that my son, Lt. (temp.) A. H. Morphett, A. Company 32nd Battalion was reported "missing" on July 19th 1916.

We have received information from various sources at different times as to his fate and by the last mail what appear to be authentic details of his death and the discovery of his body in

I have respectfully to request that you will refer the matter to the proper officer so that enquiries may be made with a view to obtaining official confirmation of his death, or otherwise, and thus terminating the terrible suspense under which we have for so long been living.

I have to acknowledge receipt of your communication of the 8th instant, concerning the case of your son, No. 340 Lance Corporal A. H. Morphett, 32nd Battalion, who is officially posted "Missing" 20/7/16, and to state that so far, no further report has been received concerning him.

If you will let me have on loan any evidence at variance with the official report, and it is considered sufficiently authentic to warrant reference overseas, the matter will be brought to the notice of A.I.F. Headquarters, London, by cable for investigation.

Without the production of evidence of this description, my instructions preclude any action being at present taken.

Dear Sir,

We are in receipt of a further unofficial report about No 340 L/Cpl. A.H. Morphett, 32nd Btn., A.I.F., from a man in his battalion.

Informant states that L/Cpl. Morphett and Pte. G. Adamson, 32nd Btn., were lying wounded in the same shell hole for two days. Adamson was found and brought in, but previously to this L/Cpl. Morphett had died. This report was given to our informant by Pte. Adamson, to whom we have written for further details. He says that L/Cpl. Morphett came from Murray Bridge, South Australia, where his family were engaged in Dairy Farming on a large scale.

We are continuing our enquiries and will advise you of any further reports that we receive about him.
