Dr. E. B. THOMAS,

LEUDUNDA

Phone 929

The Registrar

Adelaide University

Dear Sir

With regard to
list of names for Roll of Honor
to be placed in Union Building
I would like to point out that
that if an asterisk is to be placed
against those who have been
wounded, such a mark should
be placed against my own name.
My wounds were incurred as
heroinos.

As far as my information goes the
remainder of list is correct.

Yours faithfully,
E. B. Thomas.
