

The Grange

Adelaide.
Dec. 17th '09.

Dear Sir

Having gained a Government bursary, I wish to do the First Year of the Medical Course in 1910. I will be 16 years of age on June 18th 1910, and wish to be permitted to attend the necessary lectures until that date, and from then to continue my studies as a matriculated student. Hoping that you will oblige me with a reply as soon as possible,

I remain
Yours Respectfully
D. L. Barlow
